### "MIKADO" A HIT AT MARYLAND

#### Full and Enthusiastic House Greets Local Players In Pasadena

Sierra Madre players presenting "The Mikado" in the Palm Room of the Maryland at Pasadena last week scored a tremendous hit. They were greeted by a full house and the gross receipts were about \$300. Net returns were about \$125 each for the Sierra Madre and Pasadena chapters of the Red Cross.

One of the hotel guests attending the performance witnessed the original performance of "The Mikado" in London. A lifelong theater-goer, he corroborated the verdict of the News by saying those Sierra Madre girls were the prettiest chorus he ever saw anywhere. The audience was keenly appreciative of the work of the whole company.

### PATRIOTIC SERVICE

The morning service at the church of the Ascension, Dr. Cornell, rector, will be wholly patriotic. Prayers for our country will be offered up and national hymns sung. Copies of the service will be distributed to the congregation so that all can take part. Mrs. James Hawks will sing a patriotic composition by Dr. Wilmer Rogers of Pasadena, and the rector will speak on "The World Crisis." The service will take place at 11 a. m. A full attendance of the choir is desired for rehearsal Saturday evening at seven o'clock sharp. The Sunday School meets on Sunday at 9:45 a. m. A cordial invitation is extended to all.

afternoon and evening was largely attended by the proud parents of the pupils and the exhibit showed remarkable progress of the pupils and great patience of the teachers.

Each room had some one thing that was unique and deserving of special mention.

Miss Carson's room had a table of curiosities from different parts of the world which were brought in by the children of all grades. The display of drawings in pencil, brush and ink, and water colors were especially well done and were all original.

Miss Gardner's room had a miniature Japanese scene with a snow covered mountain for a background, and the work in weaving was worthy of mention.

In Miss Appleby's room was represented an Eskimo scene, and the work in clay was attractive.

Miss Thompson's room showed a Dutch scene with canals and farmyards characteristic of Holland. Also the hats and illustrated nursery rhymes were splendid.

The Economics department in charge of Mrs. Lulu Miller was a veritable bazaar with all kinds of hand embroidered garments and many useful things as well. Most interesting of all was the display of graduation gowns and hats made by the eighth grade girls, also the cooked foods which were afterward sold for a small sum. Delicious punch was served by the girls in the dining room.

The Sierra Madre Band played several selections which added to the enjoyment.

Sloyd work done under instruction of Mr. Holmes was very creditable.

### EXEMPTION BOARDS ARE ANNOUNCED

Announcement of the exemption boards who will consider applications for exemption from draft for army service were made this week. The appointments are announced from Washington but are supposed to have been made on recommendation of the governor.

Los Angeles County is divided into ten districts outside of the larger cities, and Sierra Madre is in district No. 6 which includes Alhambra, Altadena, Arcadia, Duarte, El Monte City, Landa, Leftland, Linda Vista, Monrovia, Mount Lowe, San Gabriel, San Gabriel City, San Marino, Santa Anita, Sierra Madre, South Pasadena.

The exemption board for this district consists of E. H. Rust of South Pasadena, George A. Barry of Monrovia and N. W. Thompson of Alhambra.

### STOP WITH CURB ON YOUR RIGHT

Marshal Steinberger calls attention to the fact that motorists must begin to observe the new traffic ordinance. It requires that when vehicles are stopped in the streets it must be with the right hand side next the curb. In Kersting Court, in front of the post office, the railroad right of way is regarded as the east curb. The ordinance also requires vehicles to keep to the right of the center of street intersections. The ordinance is the simplest possible application of the principles involved in all city traffic ordinances.

### OFFICER'S TRAINING CAMPS IN AUGUST

Applications Now Received for Second Series at the Presidio

A second series of officers' training camps will be held beginning August 27 for the purpose of providing fine officers for infantry, cavalry, field and coast artillery, capable of filling all places in the grade of lieutenant in the second, 500,000 troops.

The second camp for the western department will be held at the Presidio, San Francisco and will last from August 27 to November 26.

Information as to necessary qualifications may be secured by writing the headquarters of the Military Training Camps Assn., either in Los Angeles or San Francisco.

Minimum age limit is 20 years and 9 months. But men above the age of 31 years are especially desired. Because of the preference for men over 31, other things being equal, it will probably be difficult for men under that age to qualify except where the applicant has unusual qualifications or military experience.

Enlistment for three months is required, the obligations being for training camp service only. The government will pay the student officers \$100 during the course, and will provide transportation, uniforms and subsistence.

Letters of recommendation should not be sent without the application, but only the names of three responsible citizens who know the applicant well. Since it is the purpose to provide a body of men exceptionally fitted for responsible positions, it will be useless for any one to apply whose record is not above reproach.

### REV WILSON SPEAKS AT WISCONSIN PICNIC

The Wisconsin society of Southern California will hold their annual summer picnic at Sycamore Grove, Los Angeles, tomorrow. All former residents and visitors from Wisconsin are invited to be present and meet old friends who will probably be there.

Rev. C. C. Wilson of the Sierra Madre Congregational Church, has been invited by the officers of the society to be one of the speakers on the program which will be provided. Being well known for his work on the chautauqua and lecture platform in Wisconsin and other middle west states, he will doubtless be greeted by many who have heard him before.

### PATRIOTIC SERVICE SUNDAY EVENING

The President has set aside next Sunday as "Patriotic Sunday." Accordingly patriotic services will be held at the Congregational Church Sunday night. Mr. Wilson will speak on, "Our Duty in War Time." Appropriate music will be rendered. Members of the G. A. R. and enlisted men for the present war are especially invited. Sunday School is held at 9:45 and Morning Worship at 11, with a sermon by the pastor.

### CONGREGATIONAL S. S.

PLAN FESTIVAL  
The Sunday School of the Congregational Church will give a Lawn Festival at the home of Mr. Newman Essick, 550 West Central Ave., Monday evening July 2nd. Free entertainment and games. Light refreshments for sale. Friends of the congregation and Sunday School are invited.

### NO MORE TRIALS IN CITY HALL

Clerk Wins Plea Against The Interruption of City Business

At last night's meeting of the city trustees Clerk Ballou entered a protest against the use of the city hall for trials in the recorder's court, with the result of crowding out all other city business. For three days during the past week, he said, the business of the clerk and water accountant had been at a standstill and citizens were put to great inconvenience by being unable to transact business with those departments.

On motion of Trustee Sperry the board voted that the recorder should make arrangements for holding jury trials elsewhere to avoid repetition of the inconvenience.

City Attorney C. C. Montgomery asked, inasmuch as prosecutions in the recorder's court is extra work for which he receives no compensation, that he be not required to be personally present at the trial of such cases provided competent counsel is provided without expense to the city. The board so voted.

City Marshal Harvey Steinberger asked for a week's vacation some time during July, promising to have the work of his department in such shape that it can be carried on without interruption during his absence. The request was granted.

Mr. Steinberger also announced that he had completed the rock and oil surface of the portion of Sturtevant Trail road between the Lockhart corner and the entrance to Canyon Park, making entrance to the canyon safer and more comfortable.

### HELP UNCLE SAM BY SAVING STAMPS

Vast Economy Can be Effected by a Very Simple Expedient

As a measure of economy postmasters and postoffice employees are directed to encourage the public to use stamps of the high-denomination suited to the amount of postage required on all mail. For example, a 2-cent stamp instead of two 1-cent stamps should be affixed to letters needing two cents postage; and a 10-cent stamp instead of five 2-cent stamps should be attached to parcels requiring ten cents postage.

Co-operation between postoffice employees and the public in the sale and use of stamps of the higher denominations will effect a large saving to the government in the cost of producing transporting and canceling and will benefit the public in minimizing the number of stamps handled and affixed to mail.

This benefit will be especially important to business concerns mailing large quantities of letters and parcels, and postmasters are directed to bring the suggestion particularly to their notice.

### MISS EDNA SHEPARD TUBERCULOSIS VICTIM

Miss Edna Shepard, daughter of Dr. Charles A. Shepard of Needles, passed away in Los Angeles last week after an illness of five months. Death was due to tuberculosis resulting from an attack of pneumonia last winter. She was brought to Los Angeles from Needles several weeks ago, but without the benefit hoped for.

## RED CROSS RELIEF FUND TOTAL REACHES \$6762; NEARLY \$4 PER CAPITA

Oversubscribing her "bit" of \$5,000 for the Red Cross fund, Sierra Madre raised a total of \$6762.60.

That total astonished even the most enthusiastic and optimistic workers. It represents one of the most creditable totals of any of the smaller Southern California towns.

On a per capita basis the Sierra Madre fund ranks among the highest, according to published newspaper reports. It would be pretty close to \$4 for every man, woman and child in town. Los Angeles total represents about \$1.50 per capita, the Pasadena total between \$2 and \$3. Monrovia and Duarte combined, with perhaps three times the population, gave about \$7.40.

It has required practically all the time of J. D. Mackerras, Campaign Manager, Lieut. Forman, cashier, and C. E. Hover, auditor of the committee, to check up and tabulate the returns.

Final totals of the various teams are as follows:

## RARE TREAT GIVEN ATTENTIVE AUDIENCE

The concert given last Friday evening by Miss Kellogg and Miss Williams assisted by a trio of Los Angeles artists was enjoyed by a fairly large audience for the time of the year.

The local artists have never appeared to such advantage before, and were accorded much applause. Unaffected and free from the mannerisms of the average dramatic schools student, Miss Williams in her readings held her audience in the clever interpretations of her different characters. Miss Kellogg's whistling numbers deserve much credit. The pleasing manner in which she rendered them shows her own keen appreciation of her art. The cello and harp accompaniment added largely to the success of the concert. Miss Jones is a harpist of rare attainment and responded with several delightful encores.

## RED CROSS CHAPTER

HAS 404 MEMBERS

Activities of Members Continue With A New Impetus

Normal activities of the Red Cross chapter have not been interrupted in the least by the great War Relief Fund campaign. The latter has merely served to spread the gospel of relief and to stimulate activity among people who had given little thought to the cause.

Membership in the chapter passed the 400 mark this week, the total being 404 with the addition of Mrs. E. F. Ballou, Mrs. Wm. Dennison, T. M. Henszey, Mrs. M. O. Downs, Mrs. G. A. Anderson, G. F. Ferris, J. A. Osgood, M. W. Copps, Mrs. Lulu Miller and Arthur Johnson.

The volunteer list of \$1.00 a month payment, was augmented by adding M. W. Copps, Captain J. A. Osgood and the Modern Priscillas which brings it up to 37. This leaves but 13 still to be enrolled to complete the 50. The tea room of the chapter was embellished, through the

kindness of a friend with lace curtains, silver tea pot, vases, etc.

Thanks to the local telephone Company a phone has been installed in the Red Cross rooms free of charge, number Blue 2.

The Girls' Friendly Society entertained with a delightful tea last Saturday afternoon.

The final figures of the Mikado performances held here on June 1 and 2, show that the receipts amounted to \$233.65 and expenses for costumes etc., \$29, leaving a net profit of \$194.65.

Several members of the local chapter are devoting their time to making up serviceable articles which are being sold by them and the money turned into the Red Cross. Mrs. Ralph Hopkins is making some dainty place cards, Mrs. Arthur Johnson, is crocheting fancy baskets and Mrs. Gibson Kelley is crocheting neck laces. They will be pleased to receive orders for these articles from anyone desiring them.

Donations have been received from "a friend", \$5.00, and Mrs. Gibson Kelley from her handiwork sold, \$5.00.

### OFFICERS INSTALLED AT CLUB MEETING

On last Monday, the Woman's Club closed its year's work with a well attended meeting and heard reports from its officers, board members and committee heads, these showing great activity accompanied by good results. The program in charge of Mrs. H. I. Hawxhurst was thoroughly enjoyed by everyone. Mrs. Madge Parmenter of Los Angeles gave a wealth of interesting information in connection with her personal newspaper work, which included sketches of various people of note whom she was assigned to interview, and the difficulties she had in obtaining these interviews. Mrs. Parmenter is a writer of short stories and has written a series of twelve stories pertaining to the slums, and in gathering data for the stories she was obliged to live among these people in order to get the details.

The music for the afternoon consisted of several numbers in song and bells by Lillian Hyatt, and solos by Master Jean Hyatt, accompanied by Mrs. F. A. Hyatt. The "Songs of the Allies" sung by the Shamrock Trio, consisting of Mrs. Lenita LeVeaux, Mrs. H. I. Hawxhurst and Mrs. James Hawks, were heartily applauded.

After the program installation of officers took place. Mrs. E. T. Pierce, the retiring president, welcomed the incoming president, Mrs. W. E. Walker, who expressed her desire to maintain the high standard of the Club. For much of the year's success in the club, Mrs. Pierce's clear judgment has been responsible, and her ability is held in high esteem by those who have worked with her.

This very pleasant session closed with refreshments served at the small tables by the hostesses, Mrs. Geo Ferris and Mrs. Vera Pierce Maull, assisted by Mrs. F. J. Sokol, Mrs. L. N. Legendre and Mrs. Minnie Kimball.

### VERDICT OF ACQUITTAL FOR CORRAL OWNER

Jury Refuses to Convict Boyd  
On Evidence Presented  
by Prosecution

"Not guilty" was the verdict of the jury in Recorder Stubbin's court on Tuesday on the charge against John Boyd of keeping animals for hire at his Mountain Trail Ave., corral in violation of city ordinance.

The prosecution introduced witnesses who testified to seeing persons secure burros at the corral and giving in exchange what they supposed but could not swear was money. The jury did not regard the evidence as sufficient for a conviction. No testimony was taken for the defense.

The acquittal was regarded by partisans of the corral owners as a vindication. Their opponents declared the fight had just begun. You can take your choice of opinions. In the mean time the war, and a few other minor issues will struggle along in the competition for popular attention.

### TO REACH SIERRA MADRE

**By Trolley**—Take Sierra Madre cars leaving hourly at Pacific Electric Station, 6th and Main, Los Angeles. The scenic ride is the most beautiful on the Pacific Electric system. From Pasadena, take Lamanda Park car, change at El Camino.

**By Auto**—From Los Angeles by way of North Broadway and Huntington Drive to Colorado St., Santa Anita Ave. to Foothill Blvd. Turn north at Sierra Madre or Baldwin Ave. Or, take any route through Pasadena, then east on Colorado St., to Santa Anita Ave., then by Foothill Blvd., and Sierra Madre or Baldwin Ave.

Sierra Madre's peculiar charm has been felt and praised by nearly everyone who ever visited and lived here. Many factors combine to make the charm potent—the sense of exaltation in life on the heights; the inspiring view; the invigorating air, kept pure by the currents moving continually up and down the slope; the feeling of intimacy with the nearby mountains; the ease with which a love for outdoor life and recreation is gratified; the great variety of available homesites; the conveniences of the city with all the joys of life in the country.

It is as a home community that Sierra Madre claims pre-eminence. Here you can have a small house and lot, a larger place with fruit and garden plot, or a few acres with an orchard. Everything grows well here and Sierra Madre has suffered less from frost than any other community.

No community has a higher type of citizenship. Socially and morally Sierra Madre ranks high. There is a cosmopolitan population recruited from all over the world.

Sierra Madre has made rapid progress in the movement for civic beauty, with clean streets and beautiful homes and gardens. Public health is guarded scrupulously. The Board of Trade and city administration are constantly at work upon enterprises which promote the community welfare.

Best of All—Come and See Sierra Madre for Yourself

ALL DEPENDS ON  
POINT OF VIEWWhat the Little Stenographer  
Thought and Saw  
About Men

The Little Stenographer, rosy-cheeked, rosiest lipped, daintily dressed, was a goodly thing to look upon. At least, so thought her "steady," as he walked along beside her, in the coolness of the summer night. She was very busy all day, but her shining eyes managed to see several things, and there seemed to be something in the way of grey matter under the bewildering mazes of her blond hair.

"You men think we girls are awful to wear such thin things," she remarked, "but I declare! I don't see any difference between the things we do and don't do, and the things you men-folks do,—and don't do, both as to actions and as to clothes."

The young man was instantly worried, and could not help thinking over his apparel and habits. Surely — — — but she had left him far behind, and he had to think quickly to catch her.

... palm beach suits that are so thin that I can't tell you the amusing things the Telephone Girl and I can't help see-

ing. And you are always poking fun at us,—yes even writing a poem about it,—because we feel of our belts in the back. Why, the men in the office,—and plenty of them elsewhere, too, not only "feel of their belts in the back," but all the way 'round, and struggle with their nether garments and upper ones as if they were in imminent danger of having a European discussion. The fat ones are generally the most comical this way, for their anterior outlines grow smaller below the hips, and once the aforesaid nether garments begin to sag, the catastrophe seems frightfully imminent. I get downright nervous, sometimes."

The young man felt better over that, anyway, for as yet his measurement at the armpits was greater than his waist measure, but the palm beach he was wearing, (only a few minutes ago his chief pride and delight), seemed suddenly treacherous and almost tragic in its transparency. He was secretly glad that his socks were white, at least, and suddenly remembering what odd dark shadows he had, himself, noticed,—on other men. Had the Little Stenographer seen them about his manly calves?—B. S. W.

TARA GWIN is recommended by many leading physicians, and is used in conjunction with the St. Luke's system of treatment for tuberculosis, for which the discoverer received the thanks of the late King Edward VII. TARA GWIN gives greater power of resistance against disease and the effects of old age than any known tonic, and greatly increases the power of physical endurance. It is the stimulant for delicate young people, for men and women in middle life, and for all who wish to preserve health and vigor and beauty of youth. TARA GWIN is indispensable to athletes, tourists, and is the most valuable item in the camping kit.
